Text: Kenrick, D. T., Neuberg, S. L., & Cialdini, R. B. (2010). *Social psychology: Goals in interaction (fifth edition)*. Boston: Allyn & Bacon.

Objectives: This course is a comprehensive survey of the field of social psychology. The topics to be covered appear below in the class schedule.

Evaluation: There will be two tests during the term, and one during the final examination period. Each examination will cover four to five chapters in the text, and six to nine class lectures. The test dates are fixed, and make-up tests will not be given for any reason.
