Online syllabus: <http://www.psync.memphis.edu/faculty/kreuz/3304S10.pdf>

**Text:** Goldstein, E. B. (2010). *Sensation and perception, eighth edition*. Belmont, CA: Wadsworth.

**Objectives:** This course is a comprehensive survey of the field of sensation and perception. The topics to be covered appear below in the class schedule.

**Evaluation:** There will be three tests during the term, and one on the final examination day. Each examination will cover four chapters in the text, and five to seven class lectures. The test dates are fixed, and make-up tests will not be given for any reason.
